SNAPSHOT OF WWC

Walkerville Wesleyan Church (WWC) is nestled in the rural community of Walkerville, in Oceana County located in West Michigan. The ministry of WWC is to a low-income, highly

agricultural and outdoor sports minded area. We host community events such as Wild Game Dinners, Community Pig Roast, 2nd Hand Sales, Trick-or-Treat, school athletic practices, baccalaureates and prom dinners in our facility. Our facilities are rented by the community for wedding receptions, family reunions, birthday parties, baby and bridal showers.

NOTE: In the 2010 census, there are 26,570 people in Oceana County. The Association of Religious Data Archives show 25 religious' bodies with 9, 580 adherents. This leaves 16,990 unclaimed persons in Oceana County. **What a mission field!**

THE WALKERVILLE COMMUNITY

The Walkerville area is ideal for outdoor enthusiasts, nature lovers, and folks who enjoy rural living. Outdoor hunting

and fishing activities for all ages are abundant in all four seasons. This includes

snowmobiling, four-wheeling, boating, forest trails, camping, and hiking/walking opportunities. The area has numerous inland lakes and streams and gives opportunity

for bird watching, National Parks access, plenty of woodlands and wetlands, roadside fruit/vegetable stands and farmers' markets.

The Walkerville Wesleyan community, ministers mainly to the two counties of Oceana and Newago, and includes people who consider WWC their spiritual home that live in Colfax, Crystal, Elbridge, Leavitt, Troy, and Beaver

Townships. Walkerville itself has a village park

with playground and pavilion, convenience store, Kwik

Mart/gas station, fire-station, public school, K-12, walking paths, and is in Leavitt Township. It's just a short drive to well-known

attractions such as Lake Michigan, Silver Lake Sand Dunes,

Pentwater, Little Point Sable and Big Point Sable light houses,

the SS Badger car ferry which runs round trip to Wisconsin. Brand-name stores, craft stores and well-known restaurants are 30 to 45 minutes away.

VISION, MISSION, IMAGE

VISION

Resolved, that the goals of the Walkerville Wesleyan Church shall be dictated by the Holy Spirit working in the members and through the Word of God. We seek no other mandate. In support of this resolution, we express our intention to: SELF GIVE

1. Seek with diligence to know and to do the will of God.
2. Encourage one another as we work together
3. Love one another as Christ has loved us and given himself for us
4. Follow with passion and commitment as God unfolds his plan
5. Go into our world to bring the water of life to the thirsty and dying
6. Invest tithes, offerings and time
7. Visit light upon this dark world
8. Experience sacrificial living

As we seek the direction of the Holy Spirit, we will move forward with the known, revealed will of God as per the instructions of the Master in Matthew 28:19 & 20 "Therefore go and teach all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things, whatever I commanded you. And, behold, I am with you all the days until the end of the world."

Of equal importance are the two parts of this mandate. We will develop programs to address both needs

1. Evangelism to the community and world
Outreach is a fluid concept. We will do what we know to do and keep our minds open to new ways to propagate the gospel.
2. Discipleship in the body of believers
We will develop programs to teach doctrine, train good spiritual habits and nourish the new man/woman unto the perfection of the image of Christ in the believers, as the Spirit leads.
3. Acknowledging that there are nearly 22,000 people living within a ten-mile radius of WWC, we have the opportunity to determine our level of commitment going forward. Will we be a one percenter, five percenter, or ten percenter?

We choose to be a

1. Praying church Matthew 26:41 & Mark 13:33
2. Preaching church Mark 16:15
3. Power infused church I Corinthians 4:20 & Ephesians 3:20
4. People oriented church Luke 19:10
5. Purpose driven church Romans 1:16,17 & I Corinthians 9:17
6. Productive church Matthew 25:15-28
7. Passionate church Romans 9:12-18, in imitation of our Master, Jesus Christ

MISSION

In support of the above we propose the following:

“Go and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you.” ~ Matthew 28:19

IMAGE

Walkerville Wesleyan Church will be a Body of Christ in mind, body and soul by being the eyes, ears, mouth, hands, feet and heart of God to bring as many of his children home as possible.

- The EYES to look beyond the surface and see what God sees – the child He died for.
- The EARS to hear another’s life story – to understand how Jesus can meet their life needs.
- The MOUTH to lovingly speak words of life – that God would be glorified, and souls set free.
- The HANDS to do the work which God has called us to – that we might meet the needs of others.
- The FEET to take God’s love out of the church and into the community, homes, hospitals, jails, etc. ... - to all who need encouragement.
- The HEARTS to willingly sacrifice self that our hearts might beat as one hears – the heart of God.

OUR COMMUNITY

Long known as part of the large Ojibwe territory, Oceana County was founded by European Americans in 1848. It lies in the Eastern Time Zone and is part of the 2nd Congressional District of Michigan

The Village of Walkerville, in Leavitt Township, is located in northern Oceana County. At the time of the 2010 census the population was 247, unemployment rate 8.0%, a median income of \$36,458, and a median priced home was \$113,800. The population is predominately white with a Hispanic/Latino (of any race) population of 17.8%. Also in 2010, 17.8% of the population lived below the poverty level.

Located in northern Oceana County, and bordered on the west by Lake Michigan, the small community of Walkerville is supported mainly by diverse agricultural employers: cherries,

apples, asparagus; animal feeding facilities and tourism. The economy was originally built on the lumber trade; later developed for agriculture and is currently known as the "Asparagus Capital of the World". The annual Asparagus Festival, held in the County Seat of Hart, includes a parade and the crowning of the Asparagus Queen. Surrounded by

the Manistee National Forest and adjacent to several lakes and fishing streams the location gives access to hunting, fishing, hiking, boating and all types of water activities.

Walkerville Public Schools, Home of the Wildcats, is a public school district located in Walkerville. We have 264 students K-12 with a student-teacher ratio of 16:1. The district employs 18 teachers in one K-12 building.

Walkerville Schools serve approximately 220-230 students during the school year with about 45 additional students during the Fall & Spring months. These families generally move to southwestern states during the winter months to continue various farm employment opportunities. Since we are a small school, our teachers know their students

well and work to both provide, or relieve, challenges to help each student reach their unique potential. walkervillewildcats.com.

School of Choice (education funds follow the student) opportunities are facilitated for eight local school districts (Walkerville, Hart, Pentwater, Shelby, Mason County Central, Mason County Eastern, Baldwin & Ludington) through the West Shore Educational Service District (ESD). West Shore ESD also provides CTE (Career & Technical Education) credits in numerous fields for approximately 500 students/day from Mason, Lake, Oceana & Manistee Counties. The ESD works closely with Ferris State University, West Shore, Baker and Davenport Colleges to provide college credits for students who are taking CTE programs. wsesd.org

Health care is an immense factor for any individual/family. We have two health care systems represented in our community, Mercy Health Care, based in Muskegon Mercy-Health-Lakeshore-Campus.org and Spectrum Health Care from Grand Rapids, (Spectrum-Health-Ludington-Hospital and [Spectrum-Health-Gerber-Memorial in Fremont](http://Spectrum-Health-Gerber-Memorial-in-Fremont)) . There are many Physicians in our area, both family practice and those who specialize in one area of medicine. Physicians located in Shelby tend to be connected with Mercy, as is the local hospital there. Hart physicians are split, some with Mercy, others with Spectrum. Physicians in Ludington and Fremont are predominately linked to Spectrum.

When an emergent situation arises In the Walkerville area, 911 dispatches Walkerville Fire & Rescue first, then on a situational basis, calls for an ambulance. This Fire & Rescue team of dedicated, local individuals are either certified EMT (emergency medical technician) or certified MFR (medical first response). They are familiar with area families, roads, and conditions, they normally arrive first on the scene and have the situation well in hand, ready for transport via ambulance.

Walkerville Thrives, a non-profit community development group, serving six townships from Oceana and Newago Counties: Colfax, Crystal, Elbridge, Leavitt, Troy and Beaver. For more information visit their website <https://WalkervilleThrives.org>

Our area is supported by Silver Lake Sand Dunes Area Chambers of Commerce and Visitor Bureau. Please see their website: ThinkDunes.com.
